Study abroad facts 2022

For institutional partner universities

Berkeley College—an excellent choice in today’s global economy

Founded in 1931, Berkeley College is at the forefront of global education, preparing students to excel in the business world. We offer your students the following:

- The opportunity to study in the heart of New York City
- Supportive international community atmosphere with students from nearly 50 different countries
- Career-focused programs regularly updated to meet professional market demands
- Excellent instructors with professional experience in the subjects they teach
- Special assistance for international students with help adjusting to life in the United States.

Accreditations of the highest standards

Berkeley College is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104. (267-284-5000). The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation.

Berkeley College has received specialized accreditation for its business programs through the International Accreditation Council for Business Education (IACBE) located at 11374 Strang Line Road, Lenexa, Kansas, USA.

Berkeley College is authorized by the New York State Board of Regents to offer programs in New York leading to the degrees of Bachelor of Business Administration (B.B.A.), Bachelor of Science (B.S.), Associate in Science (A.S.), and Associate in Applied Science (A.A.S.).

Berkeley College is certified to enroll foreign students under the Student and Exchange Visitor Program (SEVP).

Academic start dates

- Winter: January 3, 2023
- Spring: April 3, 2023
- Fall: September 25, 2023

An intense educational component

Students from participating educational institutions engage in a full course curriculum of either four or five courses. Although this is a specific program for students from participating partner schools, these students complete the same academic workload and fulfill the same academic requirements as all Berkeley College students. At the end of the session, participating institutions will receive notification of the grades obtained by their students. Education credit is granted solely by the students’ home school based on the results of their coursework at Berkeley College.

Internship option

Students also have the opportunity to participate in an internship with a company or organization in the United States. Berkeley College will assist students in finding and participating in an unpaid internship that can give them valuable work experience in a professional environment.

CREDIT CONVERSION AND EQUIVALENCY		
	Berkeley College Credits	ECTS credits
4 courses	12	24
5 courses	15	30

An excellent value

Here are the institutional tuition rates for 2021. Amounts are in U.S. dollars.

Four classes (for 10 or more students from one institution)	\$4,650
Four classes (for less than 10 students)	\$5,055
Five classes (for 10 or more students from one institution)	\$5,440
Five classes (for less than 10 students)	\$6,075

This is an institution-to-institution tuition rate. Tuition is collected by the institution and paid directly to Berkeley College.

NOTES. Costs are approximate and expressed in USD for informational purposes only. All payments should be made in Mexican pesos (MXN).

*Students living with a host family will get 3 meals a day as part of the program.

HEALTH INSURANCE POLICY

One of Tec de Monterrey's main concerns is the health and safety of all our community; therefore, it is **MANDATORY** for all international students to be covered by an international health insurance plan that complies with at least the following coverage:

Note: Students participating in our **Virtual Exchange Program (VEP)** from abroad, won't need to show proof of insurance coverage.

Concept	Minimum amount (in USD)
Medical expenses in case of sickness/accident	\$210,000
Medical evacuation in case of sickness/accident	\$210,000
Repatriation of remains	\$50,000
Travel expenses for a companion	\$4,000
Civil responsibility for third-party liability	\$100,000
Injuries caused by the amateur practice of a high-risk sport	Included
Injuries caused by a weapon in case of assault or robbery	Included
Guarantee of direct payment	Included

After admission and prior to their arrival in Mexico, students **MUST** provide proof of coverage that includes the above minimums. Failure to do so will result in an automatic charge of Tec de Monterrey's institutional insurance (**SURA TRAVEL INSURANCE**).

SURA Travel Insurance

In case a student does not have health insurance and is looking for a recommendation, we suggest the one offered by **SURA** since it is a Tec de Monterrey institutional provider for international traveling. If you want more information about this insurance, go to <https://segurossuratravel.com>

VISA

The visa required to study in Mexico is defined by the nationality of the student.

- **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), and do not need a student visa if the stay is for 180 days or less (semester or summer terms).
- **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, visit: <https://bit.ly/INMrequiredvisa>

Everyone coming to Mexico for more than 180 days (a year or more), is required to have a student visa.

APPLICATION PROCESS

NOMINATION

- Go to studyinmexico.tec.mx/nominate.
- Select the right option and input the code you got via email from our Central Office. If you don't have your code, you can request it at the nomination site or contact: studyinmexico@itesm.mx.

APPLICATION

- Students will receive an email with the information to start the application after they are nominated. **Please ask your students to check their junk and spam folders** if they don't receive the email.
- As an admission requirement, students must upload a copy of their valid passport.
- The admission decision will be sent via email.

TRANSCRIPTS

Transcripts will be sent approximately one month after the end of each academic term as long as the student doesn't have a pending balance or a missing grade in one or more courses. For any questions regarding the transcripts please contact: studyinmexico@itesm.mx and your regional advisor from Tec de Monterrey.

Located in the heart of Buenos Aires, UADE is an undergraduate and graduate degree granting university with a 43,000 student population. Campus based, this modern and innovative institution of higher education is devoted to providing students professionally focused leading edge opportunities in learning and research engagement.

Strong academic - business profile

Founded by the Argentine Chamber of Corporations, its identity is built upon strong ties between the University and the business world. These ties enable UADE to keep pace with the ever-changing labor market demands and give a proactive response through academic education and research.

Education enhanced by avant-garde technology

Its graduates are proficient with state-of-the-art technology and apply their theoretical knowledge and hands-on experience to real world situations in a high tech, cutting-edge environment.

Student and Faculty's academic life enriched by Internationalization

There is room for globalized experiences for both students and faculty through educational, cultural, and linguistic exchange programs: every year, more than 300 foreign students from universities all over the world are welcome to UADE and can validate their credits within its exchange programs. They receive support from the International Relations Office, which serves as a point of contact between students and faculty departments. To foster internationalization of curricula, faculty and students, UADE holds partnerships with more than 100 universities around the world.

VIÑA DEL MAR

The Viña del Mar campus is located a few steps away from Laguna Sausalito and Sausalito Stadium. Characterized by its impressive view of the sea, it is composed of four buildings, where undergraduate and postgraduate activities are carried out. It also has a gym equipped with modern machines that allow the user to feel at ease, at all times, where students and teams work out (football, basketball, volleyball, rugby).

PEÑALOLÉN (SANTIAGO)

Built at the foot of the Andes mountain range, in the Peñalolén district, the campus is considered one of the green lungs of the area. It consists of a total of six buildings (A, B, C, D, E and F) where undergraduate and postgraduate programs of specialization are taught. It also has a roofed gym and seven multi-sports courts.

Project Management

4 credits – 2023-I and 2023-II

The course allows students to learn the fundamentals of Project Management and its application in a company. The main goal is to introduce students to the fundamental concepts of Project Management, the different areas of knowledge of the PMBOK® following the structure of the guide and how they are applied to a project. Likewise, we will analyze project management in Agile and SCRUM.

Innovation Management

4 credits – 2023-I and 2023-II

With this course, the student manages to explore and apply the entire innovation process in the company (Business Innovation), from the birth of an idea - as a solution to a problem - to its implementation within the business model - through a new product or service. Agile methodologies are also explored for the generation, validation and implementation of ideas, concepts and projects; which are essential to solve complex problems in constantly changing environments.

Social Media Marketing

4 credits – 2023-II

This course is for students who are interested in performing the functions of a Community Manager as a job or for a personal entrepreneur project. It consists of a simulation game where groups will be posting content for a specific company and its products in Social Media Platforms to connect with specific segment groups in the hopes of creating a relationship and selling more.

CAMPUS LIMA

UNIVERSIDAD DE PIURA. The Universidad de Piura, founded in Piura in 1969, is Peru's foremost university outside Lima, and one of the country's top ten universities. This recognition stems from its quality of education, research achievements, social responsibility, community engagement, cultural contribution, and demonstrated institutional and academic leadership. Furthermore, our graduates are in high demand, with many presently holding senior positions in the private and public sectors.

UDEP CAMPUSES

Piura is the location of UDEP's main Campus, extending over 130 hectares. More than half of the land is reclaimed desert. It is reforested with mesquite trees where squirrels, deer, foxes, peacocks, lizards and different kinds of birds abound. Construction of the Piura Campus started in the late 1960s, with much of its infrastructure financed by international support from the Italian, Spanish, German and Canadian governments.

Lima UDEP has two campuses in Lima. The campus mainly focused on undergraduate students is located in the center of the Miraflores District, a picturesque suburban region of Lima on the Pacific coast. The graduate campus for Business Management is located in the district Surco of Lima. Its MBA is recognized as one of the top programs in Peru.

Peruvian and Latin American Reality

3 credits – 2023-I and 2023-II

The seminar exposes the situation of the Latin American region, emphasizing the social (historical, cultural, population and political) and the economic aspects (productive resources, production, income and standard of living); facilitating the knowledge and understanding of the people and countries that make up this area

2023

COURSES TAUGHT IN ENGLISH – BUSINESS ADMINISTRATION

CAMPUS LIMA

Corporate Social Responsibility

4 credits – 2023-I and 2023-II

The course presents current trends in sustainable business development, both nationally and internationally. It considers the conceptual, anthropological and social foundations that give rise to this form of behavior, the previous processes, and the implementation and monitoring of a corporate social responsibility system. The role of business will be analyzed beyond the creation of economic value and the student will be prepared for the consideration of ethical criteria in making business decisions, considering the common good, social development of those involved, environmental protection and cultural promotion.

Foreign Trade

4 credits – 2023-I and 2023-II

This course aims to provide students with the tools and basic knowledge of international trade, and also get them to understand the benefits and opportunities that have been generated around trade and economic integration.

Management of Employability

4 credits – 2023-II

The course aims to expose the student to several realities that he/she will find in the transition from student life to internships, to first permanent jobs and/or the steps to form his own business/company. The course will deal with concrete and practical issues to enter the labor market (evaluation of companies, CVs, interviews, networking, etc.) as well as theoretical macroeconomic/political or technological aspects that impact the concept of employment itself and may affect the present or future employability of a particular person. The class will receive people from the "real world" to prepare students and allow them the opportunity to ask directly and safely about this very important transition of life.

Creativity and Publicity

4 credits – 2023-I

Being a personalized counseling course, the subject has a personalized approach which allows the learner to discover the content on his own. Therefore, it is adapted to the current needs, according to the conversations between the student and the faculty member.

VISA INFORMATION

International students coming to UDLAP must take into account the following information according to their nationality and duration of their studies in Mexico.

FOR 1 SEMESTER OF STUDY ONLY “VISITORS WITHOUT PERMISSION TO PERFORM PAID ACTIVITIES”

To participate in an academic program at UDLAP with a duration of up to 180 days (1 semester or 2 trimesters), students are entitled to travel to our country as a **Visitor** (previously known as *Tourist*) if they are citizens of a country that has no visa restrictions in Mexico. This condition of stay authorizes students to remain in Mexican territory uninterruptedly for up to 180 days from the date of entry, **without permission to engage in remunerated activities**. Foreigners who come to Mexico as Visitors without permission to perform remunerated activities cannot change their migratory status and will have to leave the country by the end of the authorized period of stay.

EXCEPTION: If the student is a citizen of a country with visa restrictions in Mexico, he/she will need to request a **Temporary Resident Visa-Student** at the nearest Embassy or Consulate of Mexico, as he/she will not be able to enter the country as a visitor.

FOR 2 OR MORE SEMESTERS OF STUDY “TEMPORARY RESIDENT VISA – STUDENT”

To participate in an academic program at UDLAP for a period that is longer than 180 days (2 semesters or more), it is necessary to request a **Temporary Resident Visa – Student**. Students in this case will need to complete a 3-step process:

1. Request for a visa at the nearest Mexican Embassy or Consulate. The visa will be originally issued for 180 days, valid for a single entry to Mexico during this period.
2. When students enter Mexico, they will be provided a “**Forma Migratoria Múltiple (FMM)**”. They will need to present this FMM to the “**Instituto Nacional de Migración (INAMI)**” once they are in Mexico to get the **Temporary Residence Permit**.
3. This **Temporary Residence Permit** must be requested from the INAMI within the first 30 calendar days from the date of entry into Mexico. This card will be valid for one year and allows multiple entries to the country. If this procedure is not completed within the designated time, the student will be subject to pay a fine to the INAMI.

UDLAP will provide migratory support for all international students, especially for those coming from a visa-restricted country or for those students coming for two or more semesters, but it is the student’s own responsibility to fulfill the INAMI’s requirements and to abide by the Mexican Government Laws.

Students coming from visa-restricted countries must request such permit before traveling to Mexico. The UDLAP International Office will send an Acceptance Letter to the Home University or to the Mexican Embassy/Consulate in such country in order for students to process a student visa, if necessary.

To verify if a country requires a visa or not to travel to Mexico, please consult the following web sites:

1. Countries and regions that require a VISA to travel to MEXICO: <https://www.inm.gob.mx/gobmx/word/index.php/paises-requieren-visa-para-mexico/>
2. Countries and regions that do not require a VISA to travel to MEXICO: <https://www.inm.gob.mx/gobmx/word/index.php/paises-no-requieren-visa-para-mexico/>

All Visas (either “**Visitor without permission to perform paid activities**” and/or “**Temporary Resident – Student**”) are issued in the Student’s country of origin by an Embassy or Consulate of Mexico, and cannot be obtained at their arrival in our country. Please check the location of the Mexican Embassy or Consulate that is closest to the Student or the Home University:

1. **EMBASSIES:** <https://portales.sre.gob.mx/directorio/embajadas-de-mexico-en-el-exterior>
2. **CONSULATES:** <https://portales.sre.gob.mx/directorio/consulados-de-mexico-en-el-exterior>

INTERNATIONAL MEDICAL INSURANCE INFORMATION

Medical Insurance is Mandatory to come to UDLAP. Without exception, all International students are required to have health insurance coverage at their own expense that meets all the international coverage requirements (it must include COVID-19, full repatriation of remains and sanitary or emergency evacuation, as a minimum) necessary to cover them during the entire duration of their stay in Mexico. The students must upload a copy of their medical insurance policy to the UDLAP incoming platform as a requirement to complete their registration process. This policy has to contain the following information:

1. Student’s name
2. Insurance company name
3. Insurance policy number
4. Insurance company’s emergency telephone
5. Insurance coverage dates
6. Main coverage details (repatriation of remain + emergency or sanitary evacuation must be clearly identifiable + COVID-19)

UDLAP provides all international students with free Medical Services (basic care) on campus. Students can access these services by appointment or by arriving at the Health Services Clinic (CL 104) during office hours. Further information may be consulted at www.udlap.mx/serviciosmedicos/contacto.aspx?idioma=2

Psychological support and counseling is also available under request at the Student Center. Please visit: www.udlap.mx/internas/asesoria.aspx?idioma=2

COSTS AND FEES

All courses at UDLAP (Undergraduate and Graduate level) are 6 UDLAP Units (equivalent to 6 ECTS). The cost for each **academic unit for 2023** are:

- \$3,410.00 Mexican Pesos for Undergraduate level courses; and
- \$4,210.00* Mexican pesos for graduate-level courses.

As part of a bilateral agreement, **exchange students** are entitled to enroll up to five courses per semester, at the undergraduate level. In the case of Master level courses it is two per trimester (unless otherwise agreed with specific institutions). Additional courses may be taken by covering the corresponding costs attached to the extra courses enrolled.

Visiting students should cover the total cost of the courses enrolled, plus a 2-unit administrative fee. The minimum number of courses to enroll under this scheme is three per semester, unless otherwise agreed.

All other services are included for international students so no additional fees need to be considered (i.e. gym, library, medical services, Wi-Fi, etc.). Costs related to extra-curricular activities are additional and need to be covered by the participating students.

Please note that these costs are subject to change without notice.

**To be confirmed*

ESTIMATION OF LIVING EXPENSES

Living in Mexico, and in particular in Puebla is quite affordable. Accommodation options are very ample on campus and off campus, as close as crossing the street. The average cost of living for an international student will depend on their particular lifestyle, but some estimations can be exemplified as follows:

On-Campus Housing	\$27,110.00 to \$40,610.00 Mexican Pesos per semester, depending on room selection and additional amenities. No meals included.* Please note that when housing is not included in the bilateral agreement, the students who choose on-campus accommodation must pay the full cost of the selected dormitory prior to their arrival at UDLAP. On-Campus housing for graduate students is not available unless they enroll 400-level courses only (considered Undergraduate level courses at UDLAP). There is a strict age restriction for students applying to Residential Colleges: they must be over 18 and under 24 years of age.
Off-Campus Housing	Similar costs, depending on the type of accommodation.
Meals	\$7,000.000 to \$9,000.00 Mexican Pesos per month.
Local Transportation	\$10.00 Mexican Pesos on public bus, \$12.00 Mexican Pesos on UDLAP bus Taxi, Uber, or DiDi is available at very affordable rates.
Academic expenses	\$2,000.00 to \$3,000.00 Mexican Pesos per semester. Textbooks may cost between \$500.00 and \$1,000.00 Mexican Pesos depending on the discipline.
Personal expenses	Movie theater tickets cost between \$50.00 and \$150.00 Mexican Pesos. A night out at a club may cost up to \$350.00 Mexican Pesos
Bank Information	Students are advised to bring an international credit or debit card. There are several ATMs located on campus and throughout the city. <u>It is not possible to open a bank account in Mexico while on exchange</u> so it is recommended that students handle their finances through their home bank.
Cell Phone	All International students are required to have a Mexican phone number during their stay in Mexico. A SIM card may be easily acquired at many shops and convenience stores throughout the country. International students MUST provide their Mexican phone number to the International Affairs Office to be contacted in case of emergency. <i>*To be confirmed.</i>

MOBILITY PROGRAMS & EXCHANGE AGREEMENTS

UDLAP has various programs for international students interested in complementing their university studies through internships, community service, and/or research. We have 200 active exchange agreements for undergraduate and graduate students in all five continents.

■ VISITING STUDENTS

In addition to the [regular exchange](#) agreements, **UDLAP** opens its doors to students who have finished their high school or that come from a university without an established agreement with **UDLAP**. These students are considered [Visiting Students](#) and may temporarily enroll at **UDLAP** by paying the admission and tuition fees.

■ APPLICATION DEADLINES (UNDERGRADUATE & GRADUATE STUDENTS FOR REGULAR EXCHANGE, DUAL DEGREE AND VISITING STUDENTS)*

Spring semester: (January-May): October 1st

Fall semester (August-December): May 1st

*Some exceptions apply

Life on campus offers many activities, sports, restaurants, coffee shops, and a lively community of students.

INTERNATIONAL PROGRAMS

The **Dual Degree Programs** are a form of cooperation between two institutions to provide undergraduate and graduate world-class education in two countries and two universities in order to graduate future leaders. This gives students the opportunity to learn in different linguistic and cultural environments, providing them with opportunities to broaden their academic horizons and

work options. Dual Degree Programs include both academic courses and internships.

At the end of the program, both universities award a degree to the student. **UDLAP** has partnerships with prestigious European and American universities to award dual degrees.

■ INTERNSHIP & COMMUNITY SERVICE

These programs enrich the students' professional and personal development while studying in Mexico, focused on the areas of Business, Social Sciences, Humanities, and Vocational or Community Service.

■ SUMMER AND SPECIAL PROGRAMS

- Summer and Special Programs provide language, academic and cultural programs to students from all around the world. Our complete programs can include classes, lodging in dormitories, meal plans, workshops and field trips.

- All of our programs can be adapted accordingly to the requirements of a specific educational institution or organization. These programs can be adjusted to fulfill services, as well as dates, times, and activities that are required by each institution.

■ SPANISH IMMERSION PROGRAM (SIP)

A complete program to study and learn Spanish! It is a perfect combination of high quality academic coursework and recreational activities that provide students with a total immersion experience in Mexican culture.

■ SPANISH IMMERSION - HIGH SCHOOL SUMMER CAMP (HSSC)

Immerse students to Spanish-speaking world by developing their communication skills with the best qualified instructors or improve your students' Spanish knowledge, learning the correct use of the language in everyday situation; complementing it with great activities.

■ TAILOR-MADE PROGRAMS (ALL YEAR)

Choose and create the type of program that you want! These programs are made according to your requirements.

■ COMMUNITY ORIENTED PROGRAM

Visit and help rural communities, teach classes in public schools to elementary students, visit orphan homes or participate in environmental activities. The program's objective is to help and contribute to the local communities in Puebla.

For more information on any of these programs contact abroad@udlap.mx or visit the website: <https://www.udlap.mx/summerprograms/>

Students have access to more than 1,000 computers in the many computer labs located throughout the campus. All of our computers have the latest academic and professional software installed through our partnerships with software providers such as Microsoft and Adobe.

■ PROFESSIONAL LABS

UDLAP has more than 150 laboratories with cutting-edge equipment available to students and researchers.

■ MEDICAL SERVICES

The medical staff at **UDLAP** includes doctors specialized in traumatology, orthopedics, cardiology, and internal medicine. In addition, it has general practitioners and trained nurses. They provide primary care services by appointment, and in case of an emergency, they are trained to triage patients and transport them to local hospitals shall be this necessary. **UDLAP** has one of the best paramedic and ambulance services in Puebla.

■ SPORTS

UDLAP has several facilities and fields for football, soccer, track and field, basketball, tennis, softball, baseball, swimming, volleyball, rugby, taekwondo, and more. More than 60% of the student community takes part in our various sport programs through the sport teams, recreational sports and intramural tournaments.

■ FOOD SERVICES

The Food Services Department offers high quality services and attention, as well as a variety of well-balanced meals at competitive prices. **UDLAP** has one dining hall and three cafeterias throughout its campus.

■ REHABILITATION CENTER

Specialized Center in Rehabilitation and Sports Medicine with the prestige of the **UDLAP**, with physicians, physiotherapists and trainers at the forefront of knowledge that will take care of their rehabilitation to reintegrate into their daily activities.

TESTIMONIES

My time in Mexico could be considered as one of the best experiences of my life. Fun, Friends and Food are a few words that could describe my 5 months in this wonderful and exciting country and at the beautiful UDLAP. Studying at UDLAP was also extremely enjoyable. The campus provides a great environment for students and all the staff and students were very welcoming and friendly. I will never forget my stay in Mexico and my time at UDLAP, I have made some of my best friends, tried some of the most amazing food ever and more than anything enjoyed myself more than is humanly possible.

Academic Exchange

UDLAP was a wonderful place to call home during my time in Mexico. From day one, UDLAP was there for me. As soon as I stepped out of customs in Mexico City I was greeted by some very sweet and friendly UDLAP students who helped me find my way to Puebla and gave me great advice to make the most of my Mexico adventure. I'll never forget walking onto campus for the first time. I was in a different country and did not know a single person, the language, or really anything about the culture. Even with all those fears though, I felt at peace. UDLAP was a safe heaven that supported me throughout my adventure. The faculty and students are the nicest people on Earth. I will forever be grateful for their open arms and generosity. ¡Gracias por todo UDLAP!

Spending 2 years in la UDLAP has been an amazing experience, as much in my studies as in my personal life. I have learnt how to work with people from all over the world in an incredible environment. I have made the most of weekends and holidays to visit the country and see all types of sceneries. Studying in Mexico has been a perfect way of completing my studies in France associating two very different types of teaching and cultures.

- Be enrolled at least in the second year of undergraduate studies at the home university
- 3.0 GPA or more (on a 4.0 scale) and good standing at home university

Prior coursework related to intended studies at the Universidad de Montevideo

Online Application

After receiving nominations from the partner universities, the UM International Office will send the students the instructions to apply entirely online. Students will be able to upload the required documents and their stay preferences.

Meeting the admission requirements set out by the University does not guarantee admission of prospective exchange students. Therefore, we recommend applicants not to buy flight tickets before receiving the acceptance letter.

Information about academic programs is provided at www.um.edu.uy/international

Grading system

The grading scale goes from 1-12; 6 and above is a passing grade.

UM Academic Assessment

One (1) UM credit is equivalent to 10 class hours.

In order to pass and receive credit for a course, students should:

1. Have a minimum class attendance of 75%.
2. Obtain a minimum grade of six (6) for the course, which includes midterm papers, oral presentations, and class participation.
3. Pass the final examination with at least six (6).

"As UM students, international students can take final exams in 3 examination periods on site. They have to pass the exam before returning to their countries within the examination period. Students must check the exam dates before buying flight tickets.

Course Information

International students must take at least 18 UM credits during the semester.

At the UM, regular students generally take thirty (30) to thirty-five (35) credits per semester.

International students usually take eighteen (18) to twentyfive (25) UM credits per semester.

Language of instruction

At UM, courses are mainly taught in Spanish. Some Schools offer courses seminars, and programs in English, mainly in the semester August-December.

Language requirements

A B2 or C1 level from the Common European Framework of References for Languages (CEFR) is required to attend courses in Spanish. A C1/C2 level is required to take courses in the Translation and Interpretation Degree as well as Portuguese language courses.

Non-Spanish speaking students must take a placement Spanish test upon arrival. The UM has an agreement with International House in Montevideo which offers a discount for students from partner universities who want to take Spanish courses. These courses can lead to a number of UM credits but are not included in the exchange agreement and are on a fee-paying basis.

Students coming to Uruguay should know basic Spanish in order to interact comfortably on a day to day basis.

Visa requirements

<https://um.edu.uy/international/travel-information-visas#id-764>

Housing

UM has no on-campus housing. Students can live in student residences or rent apartments within a range of prices. The UM International Office assists students with accommodation information.

Estimated cost of living (per month)

Accommodation – U.S. Dollars 500 - 700

Food – U.S. Dollars 400

Local transportation – U.S. Dollars 150

Books and Photocopies – U.S. Dollars 80

We recommend students to bring an International Credit Card.

Health Insurance

The Universidad de Montevideo requires incoming students to have already acquired all-encompassing health insurance before arriving in Uruguay.

For emergencies the University is affiliated with the Mobile Medical Emergency System (SEMM), which provides coverage within campus.

Student Conduct Code

Possessing, using, providing, manufacturing, distributing, or selling drugs is prohibited by the Student Conduct Code. Use or possession of marijuana, including Medical Marijuana or any drugs is strictly prohibited at the UM campus or in activities off-campus.

Weather

Please check Uruguay seasonal weather trends. Winter (June-August) can be cold and windy.

Scholarship	Not available	Available only when JLCP is selected by Japan Student Service Organization (JASSO).

PRACTICAL INFORMATION

Language Program	Non-credit Japanese language program is available for participants of Student Exchange Program. The level is varied from elementary to advance. The language level is determined by the result of a placement test.
Tutorship System	A tutor will be allocated to each exchange student in order to make their life at NU easy and comfortable.
Accommodation	Exchange students have priority to reside in the university dormitories. http://www.liaison.nagasaki-u.ac.jp/en/?page_id=194
Visa	Exchange students need to obtain student visa. Please apply for a student visa at the nearest Embassy/Consulate of Japan where you live. For visa application, you need to have the Certificate of Eligibility which will be sent to the partner university by NU.
Health Insurance	Every international student who stays in Japan more than three months is obliged to enroll in National Health Insurance System. With this system, 70% of the medical expenses in Japan will be covered by the government. NU staff will support exchange students for application after arrival. <u>Also, we strongly recommend each student to buy a travel insurance which offers coronavirus coverage.</u>
On Your Arrival	Persons who enter Japan are required to self-isolate themselves for 14 days after you arrive in Japan. Please note that the students are responsible for all the expenses regarding the self-isolation period and the travel expenses coming to Nagasaki. Details will be informed to the successful applicants in the Pre-Arrival Information.

Nomination Deadlines

Application deadline for full year or fall semester program is **May 15**, and for spring semester program, the deadline is **November 15**.

How to Apply

Students can apply as exchange/visiting students through their home universities. The application form is available at <https://icd.stu.edu.cn/en/index.aspx> or can be requested by email to icd@stu.edu.cn. The following documents must also be submitted:

- ◆ a scanned copy of passport ID page
- ◆ a scanned copy of most recent transcript
- ◆ a passport size photo (soft copy)

Visa

STU International Office will help exchange/visiting students apply for JW202 Form (Visa Form for Study in China). JW202 Form and Acceptance Letters will be posted to students' home institutions. Students must apply for a student visa (X1 visa for 1-year study, and X2 for 1-semester study) with the JW202 Form and Admission Letter at the Chinese Embassy/Consulate General. For 1-year students, STU International Office will help them get a resident permit after they arrive at STU. These students are required to have a physical examination in Shantou.

Health Insurance/Health Services on campus

Health Insurance is required for international students studying in China. We recommend the insurance policy available at <https://www.lxbx.net/home>. There's a clinic on campus which is open from Monday to Friday. A doctor will be on duty for emergencies on Saturday, Sunday and after hours.

Tuition Fees and Cost of Living

As per our agreement, we are on tuition waiver for both sides. Other expenses are borne by students and the costs below are for reference only:

- ◆ Accommodation: RMB600/month (for a single bedroom) or RMB300/month (for a double bedroom)
- ◆ Room Deposit (refundable): RMB800
- ◆ Food: around RMB1500/month
- ◆ Books and materials: RMB500-700/year
- ◆ Insurance: RMB800/year
- ◆ Residents Permit (less than one year): RMB 400
- ◆ Miscellaneous (water and electricity etc.): RMB200-800/month

Travel to STU

Before you book flight, you have to get to know entry requirements related to COVID-19 (including Health Declaration Certificate & Quarantine requirements) at Chinese Embassy Website.

The nearest airport to STU is Jieyang Chaoshan International Airport (IATA code: SWA), which is 45 minutes from STU by car. The airport connects to over 30 cities at home and abroad, such as Hong Kong, Beijing, Shanghai, Guangzhou, Bangkok and Singapore. You may also take a high speed train from other cities in China, such as Shenzhen and Xiamen, to Chaoshan or Shantou Station, which is about 50 minutes from STU by car. Pick up service will be arranged for exchange/visiting students by STU.

School of Business International Affairs Office

International Affairs Office is established to coordinate, facilitate and maintain the academic collaboration and exchange with universities around the world. Exchange/Visiting students are warmly welcome to turn to us in case you need any help during your study at STU.

ABOUT CHINESE LANGUAGE CENTER (CLC)

In 1970, the CLC was established to serve the foreign staff of the university, the first center of its kind in central Taiwan. The CLC is reputable for its excellent teachers, small class size, friendly learning environment, and productive student learning outcomes. By participating in cultural activities and connecting with native speakers, students can gain experience using Chinese in their everyday lives. It is our mission to help students achieve academic success and appreciate the joy of learning a language for life.

About Reichman University

Reichman University is Israel's first privately-funded not-for-profit fully-accredited university, founded in 1994. We offer full-degree programs in English in Business, Economics, Computer Science, Communications, Government, Sustainability, Psychology, and Entrepreneurship, at BA, MA and PhD level.

Over 30% of our student body is international, hailing from 90 different countries around the world. We currently have circa 130 exchange partners worldwide. The campus is located in the city of Herzliya, six miles north of Tel Aviv and a short distance from Herzliya Pituach high-tech area and beaches.

Course Registration & Credits

Students will receive a link to the online registration system prior to arrival.

Please note that all students are subject to course availability and/or capacity limitation constraints and in some cases pre-requisites. Exchange students, therefore, are strongly advised to have a flexible course plan. When registering, please take notice of the timeslots to avoid course overlap.

While the standard workload per semester for Reichman students is 6-9 courses, students are strongly advised to consult their home institution and receive approval for their intended courses of study.

Please note that only MA Government courses are available to Master level students and Bachelor (undergraduate) students cannot register for Master level courses.

Further academic information can be found [here](#).

Course Restrictions

Registration for courses in the following fields are **prohibited**:

- Public Diplomacy, Entrepreneurship, Zell and Argov Fellowship courses.
- **MA courses other than approved MA Government courses.**
- Computer Science and Law – Approval to join Computer Science or Law School courses is subject to final approval by the School of Computer Science/Law School **and is only an option for students coming from a university where we have an exclusive Computer Science or Law exchange agreement** as these courses are very limited.

Language Courses: Language courses at RU are full year in length and therefore can only be taken by full year exchange students.

More details of restricted courses can be found in the acceptance package.

Exchange students will receive a dedicated list of BA courses approved for exchange students from a variety of disciplines towards September for Fall 2023 students and towards February for Spring 2023 students.

To access information regarding course requirements and description, please refer to the [Online Handbook](#).

Grading, Course Credits & Transcript

Reichman University (IDC Herzliya) functions on a 0-100 grading system, where 60 is the minimum passing grade. Some courses work on a pass/fail basis.

Each course is worth between 2-4 credits. A 2 credit course meets for 90 minutes per week over the course of the semester (14 weeks).

Once all final grades are updated, exchange students are able to order their final transcript through their Student Information Platform. Directions to order the official transcript can be found in the "Course Registration Instructions Booklet". Link to this booklet can be found [here](#).

For specific transcript questions, students should contact Ilana Benyosef.

Disability-Support Services

Reichman University (IDC Herzliya) does its best to accommodate all students. Students who require special assistance are able to seek accommodations according to their needs. Likewise, exam conditions can be modified to meet students' needs. Facilities are wheelchair accessible.

Academic Calendar 2023-2024

Fall – Semester A	Orientation day: October 17 th , 2023 (<i>Tentative</i>) Fall semester begins: October 22 nd , 2023 Fall semester ends: January 19 th , 2024 Exam period begins: January 21 st , 2024 – according to class schedule
Spring – Semester B	Orientation day: March 7 th , 2024 (<i>Tentative</i>) Spring semester begins: March 10 th , 2024 Spring semester ends: June 21 st , 2024 Exam period begins: June 23 rd , 2024 – according to class schedule

Exams

Each semester is followed by two individual exam periods referred to as Moed 'A' and 'B', which run for approximately four weeks each. Students are automatically scheduled to take exams on the date of the Moed 'A'.

However, where the student is not able to attend the exam on the scheduled date or where the student is unsatisfied with his/her initial result, then the student is able to re-sit a second version of the exam on the date of the Moed 'B'. Students who failed the Moed 'A' are automatically rescheduled to retake the exam on the Moed 'B' date.

Exams Abroad

In exceptional circumstances, exchange students can take their final exams abroad.

A request for an Exam Procedures form must be sent to the student exchange office, filled out by the student and returned up to one (1) month prior to departure.

If approved by the home institution, arrangements will be made to take the final exams at the student's home institution (with a proctor – at the discretion of the home institution).

Housing

Reichman University cannot guarantee student housing on campus for exchange students. Please note – **rooms in the dormitories for exchange students are extremely limited with only 10 rooms available for full-year exchange students**. Therefore placement is subject to availability on a first-come, first-serve basis.

Link to the dormitory website [here](#).

We highly recommend for our exchange students to look at great housing options offered in the Herzliya and Tel Aviv area. Students should choose to look independently for off campus living arrangements (housing suggestions will be included in the acceptance package. Additionally more information can be found [here](#)).

Estimated Semester Living Expenses	
Rent & Utilities:	\$3,500 - \$4,500
Food/Meals:	\$1,400 - \$1,900
Transportation:	\$400

Facilities

The Reichman University (RU) campus is an academic village home to state-of-the-art teaching facilities, encouraging the pursuit of knowledge and is characterized by a tranquil atmosphere, broad lawns, decorative flowerbeds, fountains, and outdoor sculptures.

Reichman facilities include modern lecture halls, a library, computer and communications networks equipped with some of the world's most advanced technology, a bookstore, a lounge, and sports facilities equipped with locker rooms and showers. In addition, RU has a main food court available to students, staff and visitors, as well as cafes in each building.

Built on the belief that the student is the main client, the RU campus transforms the learning experience into a uniquely enjoyable one.

Campus is closed on Saturdays and holidays.

For the Academic calendar, please visit the link [here](#).

Student Services – IDConnect

Designed to make exchange students feel at home while experiencing their semester abroad in Israel, IDConnect is a buddy program that promotes interaction and integration of exchange students with local students. Students are paired with Israeli Reichman University 'buddies' according to their interest and partake in various student organized activities throughout the semester. Activities include organized trips, social gatherings, dinners, and various outings.

Link to dedicated website [here](#) and on Instagram [here](#).

Visa Requirements

Israeli Visa requirements vary based on your country of citizenship. It is the student's responsibility to verify with the closest Israeli Embassy and/or consulate regarding the requirements before arrival.
