## Wellbeing and Welfare

We offer counseling sessions to our students every Thursdays

**TAKE CONTROL OF YOUR WELLBEING**

**ROOM 105**  
Once a week from 1:30 to 4:30 pm  
(30-minute session)

**1-2-1 COACHING**  
with **CLOTILDE**  
PSYCHOLOGICAL COACH/COUNSELLOR

Do you feel burdened by a situation in your personal or student life? Are you in a fog and want to get a clearer picture?

When we have questions or uncertainties, it is often best to express them instead of bottling them up or trying to cope through unhealthy patterns of behaviour, in order to start living once again with enthusiasm and energy.

“ I am a psychological coach, trained in psychology and coaching in the UK and I have experience working with young people. I will listen to you in an empathic and non-judgmental way. My role is to help you talk through your concerns and make sense of your situation, identify what you are experiencing and what you want, and see what your next step would be. ”
