COST OF LIVING IN GRANADA

The city of Granada is considered one of the cheapest places in Spain and Europe to live as a student. Obviously, the cost of living for each student depends on their lifestyle, but it tends to vary between €550-€600 per month.

For guidance purposes, we have calculated the average cost of living in Granada in the most basic aspects:

- Accommodation in a shared flat (water and energy expenses included) varies roughly between €200-€250 per month.
- The daily set menu in the university canteens costs €3.50. The takeaway menu costs €4.
- A single city-bus ticket costs €1.40. If you obtain a bus card, the price is €0.87 per trip and with the University bus pass the cost is €0.61 per trip. A monthly pass costs about €41.

At this website you can watch a couple of videos about Granada campuses and districts and different options of accommodation: <https://induction.ugr.es/en/accommodation-and-canteens/>

HEALTH INSURANCE AND ASSISTANCE: What if I fall sick?

<https://induction.ugr.es/en/health/>

Non-urgent medical care

To receive healthcare students must first register with the nearest public health centre (*centro de salud*) to their home address in Granada. Medical appointments can be made online or by calling and are generally given within 1-2 days.

You can find a directory with a list of all health centres in Granada on the website of the Ministry of Health, Social Services and Equality: <http://www.msc.es/ciudadanos/centros.do>

Public Healthcare System. You will be treated free of charge:

- If you come from an EU country, Switzerland, Norway, Iceland or Liechtenstein and upon showing the European Health Insurance Card.
- If you come from a non-EU country upon showing documentation to prove you have a healthcare plan.
- If you come from a country with a current bilateral agreement with Spain. In this case you will have to ask for a family doctor at the nearest public health centre to your home address in Granada, during the first few days after your arrival in Spain and prove that you have the right to medical care in your home country.
- More information on the Spanish Social Security website:
http://www.seg-social.es/Internet_6/Masinformacion/Internacional/index.htm
Important: In every case, you must present your ID card or passport.

Private Health System

If you come from a non-EU country and there is no bilateral agreement between your country and the Spanish Social Security System you must take out your own private health insurance or you can purchase insurance

cover offered by the University of Granada (<http://sl.ugr.es/09Qe>). In this case, if you need medical attention during your stay in Granada, you must provide the official documents from your health insurance policy.

Before visiting your doctor, call the number that appears on your insurance policy. During the call you will be asked for your identification number and your policy details. The insurance company should inform you about the medical clinics where you can receive medical care in Granada.

In general there are two hospitals or clinics in Granada that have an agreement with private insurance companies:

- **Hospital Vithas La Salud:** Avda. Santa María de la Ahambra, 6. 18008 Granada. Tel.: 34 958 80 88 80
- **Clínica de la Inmaculada:** C/ Doctor Alejandro Otero, 8 18004 Granada. Tel.: 34 958 25 05 23

Urgent medical care

In line with the regulations of the National Health System, urgent medical attention is guaranteed 24/7, 365 days a year to everyone in any hospital. In the event that you should require an ambulance, you must call the **Emergency Phone Number in Spain (and all EU countries): 112**.

RESIDENCE IN SPAIN: PROCEDURES

Most incoming students at the **UGR** do not have Spanish citizenship, so normally they must complete a **procedure** to legally reside in **Spain** during their studies:

Citizens from the EU, Switzerland and the European Economic Area

A valid passport or national ID card is required for entry into Spain. If the stay is for longer than three months, you must apply to be included in the Central Registry of Foreigners in person at the Office for Foreign Residents in Granada. You must submit a valid passport or national ID card, a copy of your health insurance card (or the insurance you have) and official UGR Erasmus student credential in order to apply. You are obliged by law to complete this registration process within the first three months following your arrival. <http://sl.ugr.es/08S5>

Citizens from other countries

- In order to enter and stay in Spain, an application must be made for a visa at the Diplomatic Mission or Spanish General Consulate in your country of residence. Via the following link you can consult the information provided by the Spanish Government regarding all possible university-related cases: <http://sl.ugr.es/08RP>
